

You are Invited to a LUNCH & LEARN seminar presented by the
Greater Fort Erie Chamber Commerce and Erie Personnel Corporation

New Year Economic Update

Join TD Bank Financial Group Economist, Dina Cover
as she discusses a broad spectrum of economic indicators for the coming year!

Based in Toronto, Dina Cover joined the Economics department at TD Bank Financial Group in September 2007. Her chief responsibilities include analyzing and forecasting the 18 commodities that are included in TD's Commodity Price Index, as well as the auto industry. Dina also contributes to a wide variety of TD publications, and is frequently quoted by the media on various economic issues. Dina holds an M.A. degree in Business Economics from Wilfrid Laurier University and a B.Comm. degree from the University of Guelph, where she majored in Management Economics in Industry and Finance.
